## 5.2 Digital currency

### Getting started

- 1 Find a definition of digital currency.

---

---

- 2 Find **three** examples of a digital currency.

---

---

---

### Practice

- 1 Find out what a decentralised currency is, and how this differs from a non-digital currency.

---

---

---

---

- 2 Find some advantages of digital currency.

---

---

---

---

---

---

- 3** Find some disadvantages of digital currency.

---

---

---

---

---

## Challenge

- ## 1 What are blockchains?

---

---

---

- 2** Discuss the benefits and drawbacks of digital currency.
